Statement of Equality

The Scottish Highland Games Association (SHGA) endorses the principle of sports equality and will strive to ensure that everyone who wishes to be involved in Highland games (in all its disciplines and forms), whether as athletes, casual participants, officials, volunteers, office-bearers or those within the governance structure of the SHGA:

- has a genuine and equal opportunity to participate to the full extent of their own ambitions and abilities, without regard to their age, sex, gender identity, disability, marital or civil partnership status, pregnancy or maternity, religion, race, socioeconomic status or sexual orientation; and
- can be assured of an environment in which their rights, dignity and individual worth are respected, and in particular that they are able to enjoy their sport without the threat of intimidation, victimisation, harassment or abuse.

If you have a query relating to equality at the Scottish Highland Games Association, please contact the SHGA Secretary.
